

Minutes of Kensington Maintenance Assessment District Subcommittees (KMADs)
June 23, 2016 at Copley YMCA on El Cajon Bl.

Attendees:

Kensington Heights: Don Taylor, Bill Adair, DeLayne Harmon, Deborah Sharpe

Absent: Shannon Kelly

Meeting began at 6:40 pm

KENSINGTON HEIGHTS UPDATE

1. Discussed long term planning for painting of street lamp posts and the need to begin setting a portion of the yearly Kensington Heights revenue aside for that purpose in order to avoid continued degradation of the posts due to rust.
2. Don Taylor and Bill Adair will plan on meeting with John Tully of Park & Rec. in an attempt to get guidelines of what level of post deterioration requires post replacement rather than post repair. Once that information is obtained the Kensington Heights MAD Subcommittee can begin creating a long range plan.
3. The committee discussed recommending one post for major repair/replacement at this time, until better guidelines can be obtained from Park & Rec.

KENSINGTON HEIGHTS ACTION ITEM

Don Taylor moved and Bill Adair seconded the following motion: That Kensington Heights MAD Subcommittee recommend that the KTPG Board request City Staff set the next top priority in Kensington Heights MAD as the major repair or replacement of the severely damaged Empire street lamp post at 4148 Palisades Rd. Motion was unanimously approved.

Meeting Adjourned at 7:05 pm.
